

OFFICE OF THE PRESIDENT

THE DR. JEAN ABOUL-ELA GRADUATION PRIZE

Purpose:

Established in 1997 by the friends of Dr. Jean Aboul-Ela upon her retirement to reward the accomplishments of an outstanding senior graduating from the Coordinated Program in Dietetics.

Eligibility:

The applicant must be a senior graduating from the Coordinated Program in Dietetics.

Selection:

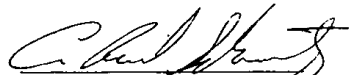

Selection to be made by the Scholarship Committee of the Human Ecology Department based upon the student's performance in the Coordinated Program in Dietetics. Need is also a consideration. A non-traditional student would be preferred.

Award:

This award will provide a one year membership in the American Dietetics Association so that the recipient will be kept up to date in this field of study after graduation.

All growth of corpus shall remain a part of this corpus.

Dr. Jean Aboul-Ela

C. Reid Schmutz, President
Youngstown State University Foundation
