Please describe your most recent work experience (within the last 5 years). This should be submitted in a resume format and attached to this application.

You MUST include the following three (3) documents:

1. Your resume (including the following four (4) items):
 - Extracurricular activities
 - Volunteer work
 - Honors and awards
 - YSU student affiliations
2. **Type the following information and attach it to this application form:**
Describe your career goals. Be specific in your description, and include your goals as a YSU student and those you may have for the next five years (after graduation)
3. Identify a significant current public policy issue. Prepare a typed narrative (one page) explaining the impact of this policy on our American culture and attach to application.
