Date Issued: May 11, 2022

Due Date/Time: June 03, 2022 2:00 PM

RFP#22-042922 – Department of Intercollegiate Athletic – Multidisciplinary Sports Medicine Collaboration

The Youngstown State University Department of Intercollegiate Athletics is accepting proposals for collaborating with YSU Athletics Healthcare. This will cover all aspects of healthcare including emergency care, orthopedic care, illness management and mental health management as provided by our Athletic Trainers (ATs) and Team Physicians with support from a long list of sub-specialists prepared to prioritize care for YSU student athletes. YSU athletics is seeking a community healthcare partner to create a newly enhanced medical model that both improves care and improves brand awareness of the partner as a premier sports medicine provider. Creating new access to the partner’s sports medicine physicians, specialists, and sub-specialists (sports orthopedic care, primary care sports medicine, sports nutrition, performance psychology, imaging, outpatient surgery, specialized rehabilitation, occupational therapy, pain management, spine, women’s health, sleep performance, neurology, cardiology, multi-joint orthopedic specialties) paves a road to many new shared community initiatives and brand awareness for the partner.

Developing this relationship will identify our shared strengths as sports medicine providers. For the partner, direct physician responsibilities in Division 1 athletics can provide enhanced recruitment of providers as well as the ability to maintain higher level providers.

Proposals must be received by the due date/time specified above at the location below. Proposals received after the due date/time may be returned unopened to the Vendor.
