YSU in its sole discretion may provide written notice to vendor of a breach and permit the vendor to cure the breach. Such cure period shall be no longer than 21 calendar days. During the cure period, YSU may buy substitute services from a third party and recover from the vendor any costs associated with acquiring those substitute services.

Notwithstanding YSU permitting a period of time to cure the breach or the Vendor's cure of the breach, YSU does not waive any of its rights and remedies provided YSU in this contract, including but not limited to recovery of funds paid for services the Vendor performed outside of the United States, costs associated with corrective action, or liquidated damages.

The vendor will not assign any of its rights, nor delegate any of its duties and responsibilities under this contract, without prior written consent of YSU. Any assignment or delegation not consented to may be deemed void by YSU.

Vendor shall be solely responsible for protecting its own trade secret or proprietary information, and will be responsible for all costs associated with protecting this information from disclosure.
16. Provisions: If any provisions in the resultant agreement are held to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force and effect without being impaired or invalidated in any way.
17. Quality of Service: The successful Vendor(s) must be prepared to furnish continual high quality service to YSU. Failure to do so may be considered just cause for cancellation of the agreement.

Neither the exercise of, nor the failure to exercise, such right of set-off will constitute an election of remedies or limit University in any manner in the enforcement of any other remedies that may be available to it.
19. Sales Tax: YSU, as an instrumentality of the State of Ohio, is exempt from Ohio sales tax and Federal excise tax, including Federal transportation tax. An exemption certificate will be furnished by YSU upon request.
20. State Law: Any agreement entered into as a result this solicitation will be governed by the laws of the State of Ohio.
21. Use of Data: Vendor agrees that it will keep confidential the features of any technical or proprietary information furnished by YSU and use such items only in the production of items awarded as a result of this inquiry and not otherwise, unless YSU's written consent is first obtained.

 - a. The University intends to award multi-year agreements. The length of the agreements will be negotiated by the parties.
 - b. The University maintains the right to terminate this agreement and any additions upon failure of the Vendor to abide by the terms and conditions of the agreement and performance specifications. The University will give sufficient notice to correct all outstanding issues and deficient performance connected to this agreement. If not corrected in the specified time, the University may notify the Vendor, in writing, of the intent to terminate the agreement. The agreement will be terminated sixty (60) days after notification.
 - c. No subcontracting or assignment of agreement without prior written consent and approval of the University.
23. Revisions to RFP
 - a. In the event that it becomes necessary to revise any part of this RFP prior to the assigned return date, revision will be provided by YSU's Procurement Services, or designee, to all respondents involved in the RFP. Changes in the specifications will be provided to all respondents through an addendum made by Procurement Services.
 - b. YSU will be the sole determinant of whether any revisions/addenda should be issued as a result of any question or other matters, and may extend the proposal deadline, if in YSU's judgment such information significantly amends this solicitation, or makes compliance with the original proposed due date impractical.
