This report was submitted, and CAPTE granted the program continuing accreditation with the next scheduled self-study and site visit in Spring 2024. In 2019, the program received CAPTE approval to increase class size to 45 per cohort. Class sizes were increased incrementally to admit 45 students by 2021. The program submitted a progress report to CAPTE regarding the impact of this increase. After the CAPTE board reviewed the progress report in April, the program’s accreditation was continued.</p> <p>The program submitted a compliance report, and a second report is due by March 1, 2021. As a result of the initial report, the program has conditional compliance on one criterion based upon one faculty member not having a doctoral degree. This faculty member has now enrolled in a doctoral program. A progress report was submitted regarding the expansion and the impact of the PhD on faculty workload in the DPT. A new faculty member has been hired in the DPT program for fall 2021. Another progress report was submitted September 1, 2021, and the response is pending. Currently, the program has a “continue” accreditation status. On November 2, 2021, the program was placed on Probationary Accreditation due to being out of compliance on one criterion for the last 18 months. This criterion outlines the requirement for a terminal degree for one core faculty member. The YSU faculty member is currently in the dissertation phase. Beginning with the March 2022 Progress Report, this faculty member will be assigned adjunct status until her terminal degree is completed (August 2022 is the anticipated completion date).</p> |

| Public Health (continued) | full accreditation with the seven-year accreditation term ending July 1, 2024. In order to align with site visit workload, CEPH offered on December 6, 2021, to extend the CEOMPH accreditation term until July 1, 2025, which was accepted. |
| Respiratory Care Commission on Accreditation for Respiratory Care (CoARC) | <p>The site visits for the Respiratory Care programs were completed virtually due to the pandemic. The virtual site visit for the BSRC entry into practice program was completed February 8-9, 2021, without programmatic issues. Continuing re-accreditation status was conveyed for the BSRC entry into practice on July 21, 2021, at the CoARC quarterly meeting.</p> <p>Both the BSRC degree advancement (completion program) and the Master of Respiratory Care programs were conferred accreditation status in July 2021 at CoARC's quarterly board meeting.</p> <p>Virtual site visits for these two programs were completed May 10-11, 2021, without programmatic issues. Provisional initial accreditation was conferred at the CoARC quarterly board meeting. In the interest of substantial financial savings, the site visits were scheduled as one CoARC visit. The site visits were performed virtually while retaining the multiple program savings.</p> <p>All three programs will perform a CSSR review by July 2022 to continue to meet CoARC's high standards.</p> <p>YSU has increased capacity of its BSRC entry into practice program, placing enrollment at 25 allowable students, which is max for classroom capacity and clinical rotation sites.</p> |
| Social Work Council on Social Work Education (CSWE) | The BSW accreditation site visit occurred on October 21, 2020. At its February 2021 meeting, the Commission on Accreditation (COA) voted to reaffirm accreditation for eight years, ending in October 2027 due to a one-meeting deferment received this cycle. |

| Social Work (continued) | In 2012, the Council on Social Work Education granted reaffirmation of accreditation of the Master of Social Work program until 2020. On October 15, 2020, after reassessing the program's candidacy, the COA placed the program on Conditional Accredited Status based upon non-compliance with Accreditation Standard M3.3.4(c). The COA restored the program's accredited status as of April 12, 2021. The COA review of the program's restoration report found that the program had taken corrective action and is in compliance with all standards. The program is fully accredited through February 2028. |
| Theatre National Association of Schools of Theatre (NAST) | Due to cuts in the number of tenure-track faculty and ongoing staffing issues, the Department of Theatre and Dance officially resigned its NAST accreditation effective May 3, 2018, and will not seek reaccreditation until these issues have been resolved. Additional faculty reduction preceding the 2021-2022 academic year has further delayed the program's ability to reapply for specialized accreditation. |
| World Languages and Cultures American Council on the Teaching of Foreign Languages (ACTFL) Recognition for Italian Education and Spanish Education | Resubmission of the Italian Education and Spanish Education programs to the American Council on the Teaching of Foreign Languages (ACTFL) in March 2016 resulted in national recognition for both programs effective August 2016. Spanish Education is currently seeking accreditation through the State of Ohio rather than ACTFL. Submission is due during Spring 2022. |

Update on Assessment of Student Learning

YSU has made and continues to make progress in fostering meaningful and relevant assessment of student learning.

Assessment of Student Learning Activities

- **Academic Assessment:** Academic programs engage in assessment reporting on a five-year cycle, and programs completed either an Assessment Plan, Assessment Update, or a Cycle Reflection. Programs identified for sunset through APEEI with enrolled students are being asked to complete a shortened Teach Out Update. Annual reports were due November 5,

2021. Sixty-three percent of academic programs submitted assessment reports. Five programs that were identified as “regular non-submitting programs” created Assessment Plans in 2021 through the Fall Assessment Bootcamp program. All reports were reviewed by Assessment Council members and Assessment staff. Submission status and feedback will be shared with Program Assessment Coordinators, chairs, deans, and the Provost.

- **Co-Curricular Assessment:** Co-curricular units report annually in the summer. In 2021, 91% of programs fully or partially submitted a report. Feedback from peer-review groups was shared with programs through Taskstream AMS. Assessment staff has been actively engaging with co-curricular programs in Student Affairs through a year-long CAS Self-Study process. All other co-curricular units will be asked to submit assessment reports by June 30, 2022, through Taskstream AMS.
- **Taskstream Assessment Management System:** As of January 2022, all co-curricular programs are reporting annually through the Taskstream Assessment Management System (AMS). Additionally, 33 academic programs reported in 2021 through Taskstream AMS, with another 27 programs having been trained in Taskstream AMS in 2021. The use of this system has been beneficial to Program Assessment Coordinators, as it allows multiple users from programs to work on assessment reports, creates a centralized workspace that encourages continuous review of student learning data, and manages historical assessment reports and data to encourage reflection. Assessment staff will continue to train academic units in the Taskstream AMS system during their first year of a new assessment cycle.

Current Student Data Collection—YSU Key Performance Indicator

- **National Survey of Student Engagement:** The National Survey of Student Engagement (NSSE) was administered in Spring 2021. The NSSE is a key performance indicator for the YSU *Plan for Strategic Actions to Take Charge of Our Future*. The NSSE collects data on first-year and senior student experiences in the areas of academic challenge, learning with peers, experiences with faculty, campus environment, and high impact experiences such as research or internships. Two additional modules were added: 1. Inclusiveness and Engagement with Cultural Diversity and 2. Academic Advising. Key reports and data have been shared with stakeholders and are being widely disseminated this spring through a series of Lunch and Learn workshops.
- **Faculty Survey of Student Engagement:** The NSSE was administered alongside the Faculty Survey of Student Engagement (FSSE), a national tool collecting perceptions of faculty related to student learning and development. Approximately 30% of both full-time and part-time faculty responded to the survey. Final data and reports are being strategically disseminated on campus. Results from both surveys provide critical information and benchmarking data regarding student engagement and success activities on the YSU campus.
