Update on Assessment of Student Learning

YSU has made and continues to make progress in fostering meaningful and relevant assessment of student learning.

Assessment of Student Learning Activities

- Academic Assessment:** Academic programs engage in assessment reporting on a five-year cycle through an Assessment Plan, Assessment Update, or a Cycle Reflection. Programs identified for sunset through APEEI with enrolled students will complete a shortened Teach Out Update. Annual reports are due next on October 30, 2022, through Taskstream AMS. The Assistant Provost of Teaching and Learning spent the past year working with the Academic Program Transformation committee to support all academic programs in creating updated curriculum maps. ITL staff worked this summer to upload these updated maps and corresponding student learning outcomes into Taskstream AMS for all programs. Training and support will be provided to academic programs this fall to encourage high submission rates.

- **Co-Curricular Assessment:** Co-curricular units submitted assessment reports in Summer 2022, including more thorough CAS Self-Study Reports completed by Campus Recreation, Housing and Residence Life, Kilcawley Center, Student Activities, and Veterans Affairs. As of August 2022, 70% of co-curricular programs have submitted reports, with another 17% receiving extensions through the end of the summer. Co-curricular assessment coordinators will participate in peer review feedback groups in September 2022 to discuss the assessment of student learning in their units.

Current Student Data Collection

- **Noel Levitz Student Satisfaction Inventory & Adult Student Priorities Survey:** All undergraduate and graduate students were invited to participate in the Noel Levitz Student Satisfaction Inventory or the Adult Student Priorities Survey in April 2022. The survey response rate was 17%. Both quantitative and qualitative data were analyzed in Summer 2022 and will be shared as a Noel Levitz Snapshot Series in Fall 2022 via the Institute for Teaching and Learning e-newsletter and website.
- **National Survey of Student Engagement:** National Survey of Student Engagement (NSSE) results were widely disseminated during the 2021-2022 academic year to campus stakeholders. The NSSE will be administered next in Spring 2023.
