

## Emily Carnahan, M.S.Ed. Academic Advisor 1

Emily Carnahan earned her bachelor's degree in English at Kent State University and went on to pursue her masters in Student Affairs & College Counseling at Youngstown State University. From Warren, OH, she was a Graduate Assistant for the pre-college enrichment program Academic Achievers housed at Warren G. Harding high school. Through the counseling program she also had internship experiences through various offices on YSU campus. She feels the most rewarding piece of being an academic advisor is meeting students where they are and encourage them to make the most out of their college career. When not at work Emily enjoys listening to NPR tiny desk, reading mythology, and attending local festivals.
