

Jonathan Hearn, M.S.W. Academic Advisor 1

Jonathan is a 2-time graduate from Youngstown State University, originally from Cleveland, Ohio. He graduated with his Bachelor of Social Work in 2020 and Master of Social Work 2022. He started his work in education during graduate school in 2021 in the Athletics Academic Services as a Learning Specialist. After graduate school, he began his career at Kent State University-Trumbull as an academic advisor, recruiter, admissions counselor, and coordinator. In June 2023, he returned to YSU as an Academic Advisor 1 for the College of STEM Professional Services. Jonathan looks forward to growing as a professional and gaining experience. He is also looking forward to watching his students grow and mature throughout their college careers. He hopes they make great memories as he did during his time at YSU as a student. When he's not working, Jonathan enjoys working out and playing basketball at the rec center, painting canvases and shoes, sleeping, and hanging out with friends.
